Kerr Kolor + Plus dental instruments are made of high-quality stainless steel and are designed for precision and durability. The 8-piece set includes a variety of instruments for general dental practice, including explorers, probes, and scalars. The instruments are finished with a smooth, polished surface for easy cleaning and sterilization. The ergonomic handles provide a comfortable grip and control during procedures. The instruments are available in two sizes, A1 and A3, to accommodate different patient needs and preferences. The set is a valuable addition to any dental practice, providing reliable and accurate results for your patients.
